LR 174, 266

SENATOR CUDABACK: The question is the advancement to E & R for engrossing. All in favor say aye; opposed nay. It is advanced. Items for the record, Mr. Clerk.

CLERK: Mr. President, I have a resolution...a study resolution, as allowed under the rules. LR 266, by Urban Affairs Committee. It'll be referred to the board. And I have one name add. Senator Baker would like to add his name to LR 174. (See page 2273 of the Legislative Journal.) And that's all that I have at this time, Mr. President.

SENATOR CUDABACK: Thank you, Mr. Clerk. Next agenda item. Speaker Kristensen, did you need...you want to be recognized?

SPEAKER KRISTENSEN: Thank you, Mr. President, members. I am going to move to adjourn here. Just to bring to your attention, tomorrow morning, we have a couple of confirmation reports. We're going to go back to the Speaker priority bills that are here this...well, they're not the same ones, but they're the Speaker priority bills that I intend to try to get to this session. And then at 10:00 a.m., or as close to 10:00 a.m...I mean, within a reasonable period of time...we'll start Final Reading. Everyone's asked me, how long is the Final Reading? I guess I'd plan on six hours, plus however long somebody talks. And then there are motions to return that you will see that have a specific...amendments that are going to be done for returns will occur after that. So if you're looking at planning, yeah, we will be going into the evening tomorrow night, but most of the day is going to be spent doing the Final Reading of those bills. I would move that we adjourn until 9:00 a.m. tomorrow morning.

SENATOR CUDABACK: The question...you have any items for the record, Mr. Clerk? The question before the body is to adjourn until tomorrow morning at 9:00 p.m. (sic--a.m.) All in favor say aye; opposed nay. We are adjourned.
